East West University

INTERNATIONAL CONFERENCE ON
BUILDING RESILIENT SUPPLY CHAINS

Department of Business Administration
East West University

18th-19th December, 2026
10:00am - 8:00pm

ABOUT THE CONFERENCE

The Conference on Building Resilient Supply Chains offers a vibrant forum for exploring how organizations can effectively anticipate, withstand, and recover from disruptions in today's volatile global landscape. The event brings together leading academics, industry experts, and policymakers to drive conversations on strategic risk management, sustainability, digital innovation, and transformative partnerships. Through cutting-edge research presentations and engaging discussions, the conference delivers practical insights and innovative strategies to build resilient supply chains, advance operational excellence, and ensure long-term competitiveness in interconnected global markets.

Papers and abstracts are invited under the following sub themes:

- Strategic Issues in Supply Chain Management
- Global Supply Chain Integration
- Industrial Application of Supply Chain Management
- Supply Chain Sustainability
- Circular Economy
- Supply Chain Digtization/AI application in Supply Chain Management
- Supply Chain Management and SDGs
- Geo Politics, Geo Economy and Supply Chain Management
- Supply Chain Finance
- Supply Chain Optimization
- Talent Management in Supply Chain Management
- Outsourcing Logistics Services
- Responsible and Ethical Supply Chain Management
- Building Adaptive and Risk-Intelligent Supply Chains

About East West University

East West University (EWU) is a prominent private institution in Bangladesh, established in 1996 with a mission to provide world-class education and foster academic excellence. The university offers a wide range of undergraduate and postgraduate programs across fields including Business Administration, Computer Science, Electrical Engineering, Law, and more. EWU's curriculum is designed to meet international standards, ensuring students receive a comprehensive education that blends theoretical knowledge with practical skills.

With a strong emphasis on research and innovation, EWU strives to foster critical thinking, problem-solving, and creative expression. The university is dedicated to building global partnerships and maintaining academic integrity. It regularly hosts seminars, workshops, and conferences to engage students and faculty in contemporary issues. EWU's highly qualified faculty members are dedicated to mentoring students, preparing them for leadership roles in both the local and global job markets, and contributing to the nation's socio-economic development.

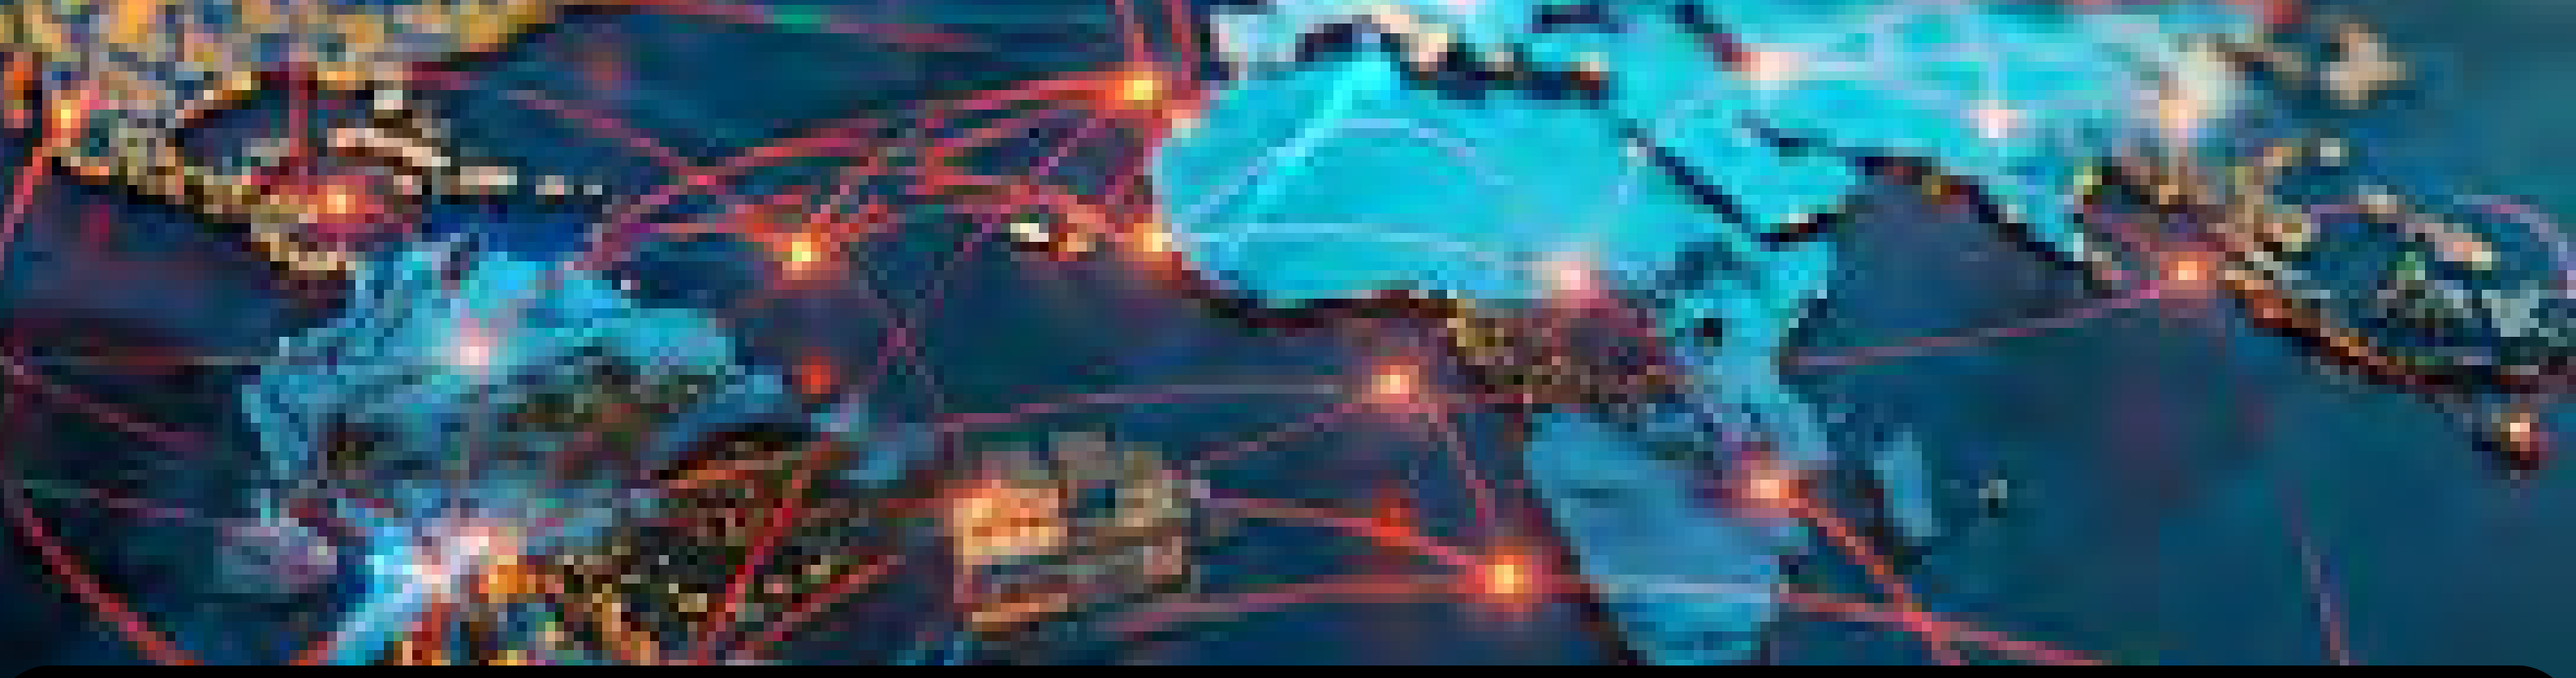
Extended Abstract Formating Guideline

A structured abstract (maximum 500-750 words) including the following elements:

- Purpose
- Design/ Methodology
- Findings
- Research implication
- Practical implication



Full Paper Formating Guideline

Structure of the Manuscript

TITLE

The title should be concise, informative, and reflective of the main focus of the study.

KEYWORDS

Provide up to six relevant keywords that reflect the core themes of the study.

MAIN BODY

The main text should be organized into the following sections:

- Introduction
- Literature Review
- Methodology
- Results
- Discussion
- Conclusion

REFERENCES

All references must follow the APA 7th edition citation and referencing style.

COMMON PITFALLS TO AVOID

- **Failure to Follow the Template:** Manuscripts that do not adhere to the required formatting template may face immediate desk rejection.
- **Plagiarism and High Similarity Index:** All submissions will undergo plagiarism screening using Turnitin. The similarity index must remain below 20%.

LAYOUT AND FORMATTING

- **Layout:** Manuscripts should be prepared in a single-spaced, one-column portrait format to ensure readability and consistency.
- **Length:** The recommended length of the manuscript is 6–8 pages (within 6000 words), including references, tables, and figures.
- **Margins:** Standard margins should be applied as follows: Top: 2.54 cm, Bottom: 2.54 cm, Left: 3.18 cm, and Right: 3.18 cm.
- **Page Numbers:** All pages must include bottom-centered page numbering.
- **Manuscript Structure:** The paper should be organized into the following sections: Title, Structured Abstract, Keywords, Main Text, and References.
- **Figures and Tables**: All figures and tables must be high-resolution (e.g., .ai, .eps, .jpeg, .bmp, or .tif formats), sequentially numbered, and accompanied by clear and descriptive captions.

SUBMISSION REQUIREMENTS

- **Originality:** Submissions must represent original work and should not have been previously published.
- **Review Process**: Each submission will undergo a double-blind peer review process.
- **AI Policy:** Generative AI tools should not be used to produce manuscript content. However, such tools may be utilized for editing, proofreading, or improving grammar and structural clarity.
- **Ethical Approval:** Studies involving human participants must include a statement confirming ethical approval and informed consent.
- **File Formats:** Manuscripts should be submitted in Word (.doc or .docx) or PDF format.
- **Conflict of Interest Declaration:** Authors must disclose any potential conflicts of interest at the time of submission.
