Full Paper Formating Guideline

Structure of the Manuscript

TITLE

The title should be concise, informative, and reflective of the main focus of the study.

KEYWORDS

Provide up to six relevant keywords that reflect the core themes of the study.

MAIN BODY

The main text should be organized into the following sections:

- Introduction
- Literature Review
- Methodology
- Results
- Discussion
- Conclusion

REFERENCES

All references must follow the APA 7th edition citation and referencing style.

COMMON PITFALLS TO AVOID

- **Failure to Follow the Template:** Manuscripts that do not adhere to the required formatting template may face immediate desk rejection.
- **Plagiarism and High Similarity Index:** All submissions will undergo plagiarism screening using Turnitin. The similarity index must remain below 20%.

LAYOUT AND FORMATTING

- **Layout:** Manuscripts should be prepared in a single-spaced, one-column portrait format to ensure readability and consistency.
- **Length:** The recommended length of the manuscript is 6–8 pages (within 6000 words), including references, tables, and figures.
- **Margins:** Standard margins should be applied as follows: Top: 2.54 cm, Bottom: 2.54 cm, Left: 3.18 cm, and Right: 3.18 cm.
- **Page Numbers:** All pages must include bottom-centered page numbering.
- **Manuscript Structure:** The paper should be organized into the following sections: Title, Structured Abstract, Keywords, Main Text, and References.
- **Figures and Tables**: All figures and tables must be high-resolution (e.g., .ai, .eps, .jpeg, .bmp, or .tif formats), sequentially numbered, and accompanied by clear and descriptive captions.

SUBMISSION REQUIREMENTS

- **Originality:** Submissions must represent original work and should not have been previously published.
- **Review Process**: Each submission will undergo a double-blind peer review process.
- **AI Policy:** Generative AI tools should not be used to produce manuscript content. However, such tools may be utilized for editing, proofreading, or improving grammar and structural clarity.
- **Ethical Approval:** Studies involving human participants must include a statement confirming ethical approval and informed consent.
- **File Formats:** Manuscripts should be submitted in Word (.doc or .docx) or PDF format.
- **Conflict of Interest Declaration:** Authors must disclose any potential conflicts of interest at the time of submission.
